

**Purity is a  
Great Thing,  
Friend!**

Keep Clean

and Sweet

and pure

My folks down South keep telling me: "Be clean and sweet and pure." And I'll bet you I am just about the purest cigarette ever made!

Why, the SOVEREIGN factory is dusted every morning, just like a lady's parlor. That's the sort of home I have. And I've got to make good all the time—in

the look of me, and the smoke of me.

The finest, whitest, cleanest home you ever saw. Only the purest, sweetest, richest Virginia and Carolina tobacco enters there. And when I come out, wrapped in the daintiest of white imported paper—don't you know I am proud to be a SOVEREIGN?

**You Folks of the South KNOW good blood!**

**You Folks of the South KNOW good tobacco!**

Next to good breeding is good dress and good taste—and I have them all. That's my claim to your friendship. I can't say more, except—

I am guaranteed by *The American Tobacco Co.* —Buy me. If you don't like me return me to your dealer and get your money back. I have said it. A Southern gentleman is known the world over for keeping his word, and I have given you mine.

## A FEW FACTS ABOUT COUGHS AND COLDS THE PUBLIC SHOULD KNOW

Whether this Cold will prove a simple catarrh of the nose and throat of but short duration and mild character; whether diphtheria, with its sharp and fatal sting; shall be the sequence; or whether the blighting blast of the White Plague shall at once strike upon its victim no one can foretell, hence the great importance of treating all colds, however mild, promptly and energetically. In urban populations the services of a skilled physician is always within call, but in rural districts, distance and inclement weather often act together to forestall the doctor's timely aid, so that valuable time is in this way lost. It was particularly for this latter class of sufferers that MEINHARDT'S GERMAN COUGH REMEDY was invented. SOLD BY ALL DRUGGISTS.
